Cash Sales “Conditions of Acceptance”

To whom it may concern;

We are prepared to transport your goods on a “cash sales” basis, with the following conditions:

1. Goods are to be paid for by Direct Credit **PRIOR** to delivery, using our BNZ account (02 0820 0147913 00) using our consignment number as the reference.
2. While we take care with transport, we will not be held liable for any goods damaged. Goods **MUST** be well packaged and able to be strapped/tied down. Therefore, **ALL** goods will transport at “Owners Risk”, no exceptions. You will need to organise your own insurance.
3. Timeframes for delivery – we will do our best to move promptly, however we must take our regular customers goods as a priority.

Collection of your goods will bind you to these conditions.

Thanks very much

STL Linehaul Management.
